

# London Medical Orchestra Online Workshop

## Sunday 21st March, 3pm-6:15pm

### Dvorak Symphony no.7

Come and join members of the LMO and players from all over the world in a workshop dedicated to one of Dvorak's most melodic and popular symphonies.

Featuring sectionals led by professional musicians, playthrough with piano duet, plus context and notes from our conductor.

Dust off your instrument and play along from the comfort of your living room!

£5, plus donation if possible. All are welcome.

The LMO is a London-based friendly amateur orchestra led by professionals, raising money for medical charities through concerts and other activities since 1954

Testimonials from recent workshops:

“One of the most productive 3 hours that I have ever experienced”

“It was really great to have an opportunity to play with other people.”

“This is a really excellent opportunity for people who may have fallen out of playing their instrument to get back into some group playing - it's safe (no-one can hear you), satisfying (you do feel like you're a part of the whole work thanks to the excellent piano accompaniment) and utterly non-judgemental”

“The playthrough was inspirational”
